Re: Request for Certificate of Correction

The Certificates of Correction Branch received your request to modify the drawings from what appears in the Letters Patent Grant.

Inspection of the application file reveals that the drawings presented October 4, 2001 were approved by the examiner at the time of allowance and as a result applicants request for drawing changes are denied.

Consequently, and, as rule formal drawings must be entered prior to paying the issue fee.

In view of the foregoing, applicants request in this matter is hereby denied, however a certificate of correction will issue to correct the remaining errors noted in applicants request.

Any inquiries concerning this communication should be directed to Ms. A. Green at (703) 756-1541.
